

Advertise in the CAI-Connecticut 2012 Membership & Vendor Guide!

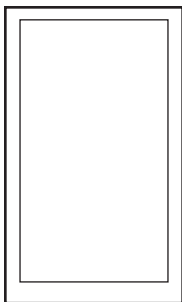

Be in the reference book that community association decision makers use throughout the entire year!

When community board members and managers require services for their associations, they look to the Connecticut Chapter of Community Associations Institute's Membership Directory. Distributed only once a year, this is the essential guide and primary resource for thousands of association decision makers. It is utilized to locate and obtain services needed — from landscapers, to accountants, lawyers, managers, engineers and more.

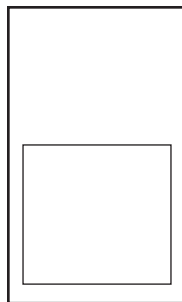

The Connecticut Chapter is one of 55 Community Associations Institute chapters in the nation. CAI-CT serves the educational, business, and networking needs of community associations throughout Connecticut. Members include condominium, cooperative, and homeowner associations as well as those who provide services and products to associations. The Connecticut Chapter has over 800 members including nearly 150 businesses, and over 450 community associations representing 50,000 homeowners.
